

**2020 Girls Volleyball High School
All School Scrimmage & JV & Frosh Championships Tournament**

Coaches & Athletic Directors:

We hope this finds you well as we gear up for our 2020 fall season. We would like to invite you to our 21st Annual **All-School Scrimmage and JV & Frosh Championships Tournament** hosted here at Buchanan High School. The scrimmage will use a round robin format which will provide maximum participation for all teams. The Varsity teams will play at Buchanan, Junior Varsity at Clovis North, and the Freshman teams at Clovis West. I have requested and gained CIF Central Section approval to move this scrimmage to one day earlier from the original first scrimmage date.

The JV & Frosh "Battles Challenge" tournament will consist of pool play and bracket play. There will be concessions available for your families. 1st & 2nd place teams will receive a championship award. A waiting list will be composed as we will fill the scrimmage and tournament on a first-come, first-served basis. Please respond ASAP to reserve your team's position. We will email you the format the week prior to the event once all teams are finalized. We welcome you back and look forward to seeing you soon for another great tournament season with lots of competitive team play!
