

**2019 Girls Volleyball High School
All School Scrimmage & JV & Frosh Championships Tournament**

Coaches & Athletic Directors:

We hope this finds you well as we gear up for our 2019 fall season. We would like to invite you to our 20th Annual **All-School Scrimmage and JV & Frosh Championships Tournament** hosted here at Buchanan High School. The scrimmage will use a round robin format which will provide maximum participation for all teams. The Varsity teams will play at Buchanan, Junior Varsity at Clovis North, and the Freshman teams at Clovis West.

The JV & Frosh Championships tournament has moved to the end of league play and serve as a final tournament to give teams one last chance to leave a mark on their season. It will consist of pool play and bracket play. There will be concessions available for your families as well as a hospitality room for all coaches (with food items provided). 1st & 2nd place teams will receive a championship award. A waiting list will be composed as we will fill the scrimmage and tournament on a first-come, first-served basis. Please respond ASAP to reserve your team's position. We will email you the format the week prior to the event once all teams are finalized. We welcome you back and look forward to seeing you soon for another great tournament season with lots of competitive team play!
